Brett Gilpin  
Applied Technology Group, Inc.  
2230 W. Coliseum Blvd  
Fort Wayne, IN 46808

Dear Brett Gilpin,

I am writing you today to say Thank You to you and your staff. Our experience working with your team has been amazing from start to finish. The transition from a large national carrier to you could not have gone any easier. The team that was out doing the installation was not only extremely efficient, they were also great with the training. What a difference working with a local, customer service friendly company vs. a large national carrier.

My only regret is that we didn't start working with Applied Technology Group sooner.

Keep up the good work! Looking forward to a long term, productive relationship.

Sincerely,

  
John Brimmer
